

The Longest Coverage In The Industry

IT IS TIME TO TAKE A DECISION YOU WILL THANK YOURSELF FOR LATER!

From now, OPTIKA is offering to customers a **10-year warranty** on optical and mechanical parts.

The warranty period begins on the date of invoice and applies worldwide.

The extended warranty applies starting from today!

Warranty for digital components of microscopes, electronic/electrical parts and illumination is 2-year.

X-LEDs is warranted for the entire life of the instruments.

For further info, please refer to the "General Sales Conditions" listed in the OPTIKA price list.

The 10-year warranty is voided if changes/modifications have been done by customers and applies for instruments which have been used as intended.
